

## DEBATE WRITING

Ques - You are Suresh / Savita of Swami Vivekananda school, Gurgaon. You have to speak on Academic Excellence is the only basis for bright career.

Respected principal ma'am, teachers & friends. Ma'am who can deny that Academic Excellence and a successful career go together? Ma'am can you imagine a space scientist without a distinguish career in science. 100s of computer engineers from India who made their names due to their academic excellence. Ma'am nothing can replace learning & learning is imparted by teachers & institutions. Academic excellence is the ladder for going to higher ranks of society. It helps in creating competence and abilities. It prepares us for competition & helps in getting ~~at~~ admissions to the best universities & Institutions. It will help you in soaring over your potentials & real rivals.

## Debate Writing

Ques- "Online Smart Classes are the future of Education style." Write a debate either for or against the motion.

Honourable judges and worthy listeners,  
"If you are so old minded & think that computers will be distracting children from studies, with a sincere sorry for you, let me tell you that the young generation has gone a long way with computers!"

When most parents think of learning from computers, socialising websites like Facebook appear before their eyes. It is the biggest cyber, Khan academy, the list of online teaching platforms is endless and ever growing. There are millions of students & teachers who use these websites & apps for their exam preparation. They are mostly free & it what makes one turn away from traditional paper-guides. Google has already replaced the world's library to become the greatest knowledge-provider. Rather than living to the life

of a consumer, lets be contributors. Instead of buying paper books lets buy e books. Instead of collecting 1000 books in our shelves lets convert our phones and computers into virtual libraries and learn

Thank you
