Developing nation / needs trained human  
Yes Note - Making

A developing nation needs trained human resource and it is the human resource that higher education develops. In order to be a developed country to keep pace with other progressive nations our students need to be highly educated. I have seen that we have more faith in a professional who is highly educated than in one who is not academically right. So higher education is not only necessary. It is vital in the modern context.

There is no doubt that higher education is a must for all students. It enhances one skill and adds the extra zinc to the resume. It is definitely more beneficial to opt for higher education in modern age. Higher education is gaining momentum there is no denying to the fact that specialisation makes you more aware, knowledgeable and analytical. Higher education also offers a better

Higher education also offers a better standard of living. It has become important to remain updated these days and one cannot afford to remain blank on being questioned about any topic. There is so much

to learn vocational courses have been introduced which further helps students to have a better standard of living.

Higher education does open a whole world of opportunities for students it opens up new values and grow in your skill based professional values courses.

Higher education guarantees better understanding ~~and~~ approach towards the compl. students investing in higher education is fruitful in long run as you don't stick to prescribe syllabus.

~~The~~ The small village of Somnathpur contains an extraordinary temple built around in Karnataka. One of the most prolific temple builders. These temples suffered during the invasion of the 14th century. The small temple captivates with the beauty of its culture covering almost every inch of the walls pillars & ceilings. It also have new shikaras & stands on a star shaped platform with 24 edges. There were vertical panels covered by figures of God & goddesses on the closer look & it is worth the series of elephants, charging horsemen, warriors, musicians, crocodiles & swords.

2. The temple was actually commissioned by Soma or Somnath. The temple was built house 3 versions of Krishna, Ranganopala & Parasara Keshava. The darkest of the temple. The temple's sculptural perfection is amazing & includes the doors of the temple & 3 powered temples

# SOMNATH TEMPLE

## 2. Features of Somnath temple

2.1 3 Shikaras & star shaped platform

2.2 Built in 3 versions of Krishna :- Rerugofala, Janardan, Prasann Keshava

## Note Making

Ques - Read the following passage carefully:-

1. Conversation is indeed the most easily teachable of all arts. All you need to do in order to become a good conversationalist is to find a subject that interests you & your listeners. There are for example numberless hobbies to talk about. But the important thing is that you must talk about other fellow's hobby rather than your own. There in lies the secret of your popularity. There in lies the secret of it is nothing that pleases people so much as your interest in their interest.
2. It's just as important to know what subjects to avoid & what subjects to select for good conversation. If you don't want to be set down as a wet blanket or a bore, be careful to avoid certain unpleasant subjects. to select Avoid talking about yourself unless you are asked to do so people are interested in their own problem not in yours. Sickness or death both are bore everybody. The only one

who willingly listens to such talks is the doctor, but he gets paid for it.

3. To be a good conversationalist you must know not only what to say, but also to say it. But mentally quick & witty. But don't hurt others with your wit. Finally try to avoid mannerisms in your conversation. Don't bite your lips or lick your tongue or lick up your eyes or use your hands excessively as you speak.

4. Don't be like that Frenchman who said "How can I talk if you hold my hand?"
